

SUBMISSION #17

- 17) Submitted by:** Brian Farrell
Date Submitted: February 28, 2018
Electoral District: Lake Laberge/Porter Creek North

Submission:

With regard to proposed boundary changes for the riding of Hootalingua: moving Hidden Valley and MacPherson to Porter Creek North. I am supportive of the proposal.

Both residential areas lie within the City of Whitehorse boundaries and represent a large number of "city" votes, while most of the remaining portion of the riding is rural. In my view realigning the two ridings will allow for perhaps a clearer voice for each with respect to the defining characteristics of the individual riding - "rural or urban".
