

SUBMISSION #19

- 19) Submitted by:** Randy Carey
Date Submitted: February 28, 2018
Electoral District: Lake Laberge/Porter Creek North

Submission:

To whom this may concern, I am a Hidden Valley resident and I do not want to have my electoral boundary changed to Porter Creek. We live in a country setting and not that of a town setting. Our country residential concerns would be better addressed by the Lake Laberge riding which understands our needs as a country residential neighbourhood.
