

SUBMISSION #23

- 23) Submitted by:** Erin Stehelin
Date Submitted: March 5, 2018
Electoral District: Lake Laberge/Porter Creek North

Submission:

With this email I would like to express my view to the commission that people have a right to be consulted on a change that would affect over 350 voters, including providing an opportunity for people to attend a public meeting to comment on the proposal. No public meeting for our area has been scheduled.

I would furthermore like to point out that Hidden Valley and McPherson are country residential areas with different infrastructural challenges and living conditions than those of Porter Creek North citizens and I believe these to be better aligned with citizens living in the current Lake Laberge region.
