Dear Madam/Sir:

Re: Electoral Boundaries Review

Thank you for providing us with a copy of the interim report of the Electoral District Boundaries Commission. The Council for the Village of Mayo reviewed and discussed the proposals for the boundaries, and the reasons for the proposals of the electoral districts in Yukon.

After careful review of the new proposal for our electoral district (to include Little Salmon and the community of Faro and to move the McQuesten area to the proposed electoral district of Klondike), and discussions with our municipal counterparts, the Council for the Village of Mayo has re-evaluated its position and now agrees to the Electoral Boundaries Commissions proposal for the new electoral district of Mayo-Carmacks-Faro.

Council agrees that the three communities in this new riding have a lot in common, and the First Nations belonging to the Northern Tutchone language group and having close ties remain in the same riding. Council is confident that the right person campaigning in this riding and being elected as the MLA will be able to represent all the constituents.

Sincerely,

Scott Bolton
Mayor
