

SUBMISSION #30

30) Submitted by: Heather and David Mathers
Date Submitted: March 9, 2018
Electoral District: Lake Laberge/Porter Creek North

Submission:

Dear Commission Members,

My husband and I would like to express our support of the proposed changes to the Lake Laberge riding. We have lived in Macpherson for a few years now and feel that we are not represented the same as those living more rurally. We pay taxes to the City of Whitehorse, not the Yukon Government. We are not rural in the sense of our Mayo Rd neighbours but more Country Residential. The MLA for PC North would have experience with our needs after having represented the residents of Versluce Meadows (RC2) and the properties off Alder (RC2). We do not feel our vote would have any less of an impact as we would expect that any elected official would listen to all their constituents.

Thank you for your time
